0 Bedroom, 0.00 Bathroom,  
Commercial on 0.15 Acres

NONE, Pincher Creek, Alberta

Here is a commercial building with lots of potential and C1 zoning. With this zoning there are many opportunities including retail, restaurant, child care facility and dwelling units as a secondary use plus much more. Currently set up a large reception area, seating area, 5 offices, 2-2 piece baths and a large kitchen area on the main floor with a storage and work area in the drive-out basement, this property could be developed to suit your needs. With the current housing shortage, there may be potential to convert this property to residential with a zoning change! If more room is needed, there is potential for building expansion! New roof in 2010. Motivated seller!

Built in 1975
