You're going to be so impressed with this home as soon as you lay your eyes on it. Stunning curb appeal concrete RV parking and a great fully fenced back yard with a huge two tier deck, shed and play structure are included. Inside the modern finishing continues with dark vinyl plank flooring, dark stained cabinets in the beautiful wide open kitchen with an oversized island and breakfast bar. Wait until you see the gorgeous 6 foot long wall mounted fireplace, stunning. Classic modified bi-level design with the primary perched above the garage on a level of its own, oversized air jetted tub with shower in the 4 pce ensuite, and walk in closet. The basement is fully finished with another bedroom adding up to 4 bedrooms in total. Very nicely developed lower level with a two tier floor and built in sound system to go along with the projection theatre TV. The garage is heated, has a floor drain, and is clean as a whistle. All it's missing is you.
