Tucked away at the back of the complex on a quiet street, this home backs onto lush green space, creating a peaceful and private setting.

Inside, the upper level is bright and spacious, featuring three generously sized bedrooms, all filled with natural light. The master suite is a true retreat, complete with French doors, a walk-in closet, and a private 4-piece ensuite. The additional two bedrooms are perfect for family members or guests, and a separate 4-piece bathroom ensures convenience for everyone. A versatile den on this level makes an ideal home office, nursery, or reading nook.

The main floor is designed for both comfort and function, featuring an open-concept layout that seamlessly connects the living room, dining area, and kitchen. Whether you're relaxing or entertaining, this space is warm and inviting. A convenient 2-piece powder room is also located on this level. The single attached garage offers ample storage and is spacious enough to fit both a car and a motorbike, with an additional assigned parking stall right in front of the unit.

The lower level is a blank slate, ready for future development to add even more living space. Currently used as a home gym, it also houses the laundry area and offers plenty of storage. This is a great opportunity for a new owner to customize the basement to their needs, whether as a recreation room, additional bedroom, or media space.

One of the standout features of this home is its prime location within Citadel, a well-established and family-friendly community. Schools, parks, playgrounds, walking and biking trails, and bus stops are all within walking distance, while Stoney Trail, shopping centers, and other local amenities are just minutes away by car. The complex is pet-friendly with board approval, and condo fees cover lawn maintenance, snow removal, reserve fund contributions, and insurance, ensuring stress-free living year-round.

This is one of the larger units in the complex, offering both space and functionality in a desirable neighborhood. The owner is willing to negotiate leaving behind certain gym equipment for the right price. Whether you're a first-time homebuyer, a small family, an investor, or someone looking to downsize, this townhouse is an excellent opportunity in one of Calgary's most sought-after communities.
