Residential on 0.11 Acres

NONE, Whitecourt, Alberta

Welcome to Birch Lane, where this two-story home is ready to make life a little easier. Out front, there's an attached garage.

Inside, the main floor keeps things practical with a laundry room, an open living area, a spacious kitchen with an island (perfect for gathering), and bright windows overlooking the backyard.

Upstairs, three good-sized bedrooms offer plenty of space. The primary includes extra closet space and an ensuite, a little extra comfort where it counts. Downstairs, the finished basement is set up for movie nights, game days, or whatever fun comes next, with an extra bath for convenience.

Built with solid ICF and concrete construction, this home is made to last. The neighborhood? A winner. Two elementary schools, a hospital, and a rec center are all close by, making daily life a little smoother.

Come take a look—this one's worth seeing in person.
