OPEN HOUSE - Sunday, April 13, 12:00-2:00pm This charming, move-in ready bi-level home in the highly desirable Emerson Lake Estates community is a box-checker for modern family living. With five bedrooms, three full bathrooms, a large, covered deck and a (heated) double garage with parking pad and rear lane access, this home offers the space and flexibility for modern family life, at a price point that's becoming increasingly hard to find! The warm and welcoming main floor features a spacious living room, updated open-concept kitchen (new stainless-steel appliances!) with eating area (perfect for an island or feature hutch) and large dining area that's ideal for everyday living and entertaining - and leads to a large, covered deck! The primary bedroom includes a good-sized closet and spacious, updated 5-pc ensuite, that complements the 4-pc family bathroom just down the hall. A second bedroom and extra storage complete the upper level. Head downstairs to the fully finished basement, to find a bright and sunny family room, complete with wood-burning fireplace and new recessed lighting - it's a perfect space for movie nights and/or to give older kids a little breathing space - or for you from them! You'll also find three further bedrooms, another updated 4-pc bathroom, and plenty of storage throughout. Located on a quiet, family-friendly street, this home is just steps from the (trout-stocked) Emerson Lake, and within walking distance of schools, parks,

walking trails and a second lake! Shopping, dining, gyms and a variety of other amenities are all conveniently close and, with Calgary just 30 minutes away, commuting is a breeze.
